PRIVATE LESSONS IN MY HOME

ONE HOUR SESSIONS (£25)

I RECOMMEND: 90 MINUTES FOR GCSE MUSIC,  
'A' LEVEL MUSIC OR DIPLOMA STUDENTS (£40)

I ALSO ENCOURAGE MUSICAL 'TECHNOPHOBES' OF ALL AGES

YOU WILL REQUIRE YOUR OWN COMPUTER  
AND A REGISTERED COPY OF

**Sibelius Student, or Sibelius 3 or 4 or 5**

I will teach you how to write music onto a computer screen – just using a keypad & mouse. Any musician who has a basic grasp of music theory and can read music to a fairly basic level will learn how to copy music, play it back & edit it. You can then rearrange it, compose new music, arrange simple pieces into large scores for ensembles, bands and orchestras. I will expect you to spend time on home study, scoring exercises, learning keystroke shortcuts and engraving rules.

*YOU PRACTISE & I GUARANTEE TO GIVE  
YOU THE SKILLS TO WRITE AND PRINT  
SCORES & PARTS PERFECTLY*
